

Landscaping - Presentation is everything!

With over 20 years of experience with maintenance contracts, our portfolio of work ranges from private house grounds, public and retail outlets to local authorities.

We provide an extensive range of services that will ensure all your landscaping requirements are catered for. At Clean Estates we focus on ensuring our landscape is as much engineering as it is inspiration!

Landscaping services include:

- Pruning, planting and turf maintenance
- Tree surgery and maintenance
- Project design and maintenance of commercial landscapes
- Control plans for maintaining environments
- Horticultural advice
- Ground and soil treatment
- Comprehensive weed control service
- Supply and maintenance of internal plant displays
