## Winter Maintenance - One Step Ahead

We offer a Winter Maintenance service, operating on a 24 hour basis with information on constant supply from the Met Office.

As conditions deteriorate we will act accordingly, and with over 50 gritting depots across the UK our teams are immediately available to ensure our sites are accessible in hazardous conditions.

Our service can be tailored to meet your specific requirements and can be delivered as a one off or as part of a portfolio of Clean Estates maintenance and cleaning services.

### Winter Maintenance services include:

- Dedicated fleet of gritters and snow clearance vehicles
- Over 50 depots across the UK for a quick response
- 24-Hour Met Office Forecasting Monitoring System
- BS347 rock salt used
- GPRS satellite tracked gritting vehicles
- Large national stocks of salt to ensure continuity of supply
